Ashford Area

Meet the Team

The Ashford Area team is a friendly, enthusiastic team that loves to get stuck in and have a laugh. The team is led by Area Warden Cristina Juan.

The team works across various nature reserves in and around Ashford, with the bulk of the work occurring at Kent's best heathland site – Hothfield Heathlands – and Conningbrook Lakes Country Park, a wetland site that runs alongside the river Stour.

We have activities every Tuesday and Friday. Feel free to come along for as many days as you would like. We also have a Sunday task at Hothfield Heathlands, which runs on the second Sunday of the month between October and March.

Tasks

Summer:
Bracken control, fencing, birch pulling, grassland management

Winter:
Coppicing, birch pulling

Year round:
Running repairs and footpath improvements.

Timings:
Tuesday 9am to 4pm
Friday / Sunday 10am to 3pm

Training:
Full training is given and you'll only be asked to do work you are comfortable with.
