No special skills are required to take part in our task days, but plenty of enthusiasm, energy and a desire to help conserve Kent's wildlife. The tasks are suited to all levels of physical ability and volunteers are encouraged to do the task at their own pace. Children under 16 must be accompanied by a parent or guardian at all times. Some tasks may be unsuitable for children so please check in advance with the relevant Warden. You'll need to wear weather-appropriate clothing and sturdy footwear. Volunteers who stay with us all day should bring their lunch with them.

If you would like further information, please contact our Volunteer Team via volunteering@kentwildlife.org.uk or 01622 662012.
