

Volunteering with...

The Greensand Commons Project...

Hi, I'm Clare, the Conservation and Access Officer for the Sevenoaks Greensand Commons Project. I am looking for keen volunteers to help me improve the 8 commons I look after for people and wildlife. They're located from Seal to Westerham.

No previous experience is needed, just enthusiasm, a willingness to get dirty and to have fun. Hope to see you soon!

Great fun meeting like minded people

Getting outside to improve your fitness and wellbeing

Greensand Commons improvement for people & wildlife

Task Info

- September to March we will be doing active scrub management, invasive species removal and thinning of woodland to encourage a variety of plant species to thrive.
- March to September we will be doing some invasive species removal, predominately survey work to establish baseline data before the bigger works are carried out.
- No experience in any of the tasks is necessary we train and lead you to enhance your skills.

Location

Location to be informed in advance before each work day. We may meet at any of the 8 Commons, however I have limited space for some to come with me from Sevenoaks Wildlife Reserve, Bradbourne Vale Rd, TN13 3DH

The Sevenoaks Greensand Commons Project is funded for 4 years by the Heritage Lottery Fund and other partners who all have a shared vision for improving the Greensand Commons for people and wildlife. The Commons are both locally and nationally important, with some amazing historical, as well as conservation features. We desperately need your help in restoring these special areas of heathland and wood pasture More information found here: <https://www.kentwildlifetrust.org.uk/get-involved/our-projects/sevenoaks-greensand-commons>
